Founded in 1892, The Children's Home is considered the oldest charity on Florida's West Coast. In a given year, the organization serves nearly 13,000 children and adults in the Tampa Bay Area.

Through a nationally recognized and accredited Residential Treatment Program, we help over 100 children each year to *heal from the trauma of their abuse and neglect.*

We help to find *forever families* through the recruitment, training and support of Foster and Kinship families in the community.

The Children's Home serves as the lead agency in a number of initiatives, community programs and support centers throughout the Tampa Bay area that work to *strengthen families* through outreach, support and intervention.

For 120 years, The Children's Home has been working to strengthen our community through programs that support, serve and protect children and their families.
